

Cybersecurity & Infrastructure Security Agency Office for Bombing Prevention

Presents

Bombing Prevention Awareness (AWR-348)

Event Purpose

The Bombing Prevention Awareness course provides an overview of IEDs and explosive effects, homemade explosives, an introduction to the terrorist attack cycle, and response to suspicious behaviors and items. This basic awareness is used to enhance bombing prevention measures.

Who Should Attend?

This course is intended for audiences such as:

- Critical infrastructure owners and operators
- Public safety officers
- Emergency managers
- Security officers
- Law enforcement officers
- Private sector security professionals
